

Ark St Alban's Academy

Monday 16th October 2017

.... Dear parents,

Re: Sixth Form Open Evening Tuesday 17th October 5-7PM

We opened our sixth form in 2013 because we believe that the future of Ark St Albans is excellent education all the way to 18 years old. Since then hundreds of Ark St Albans students have completed the journey they began in Year 7 by successfully climbing the mountain to university. In the last few weeks many of our students have taken the next academic step, starting at King's College London, The University of Birmingham and University of Warwick to name a few.

I would like to invite you to join me in celebrating the success of our students by attending the Ark St Albans Sixth Form Open Evening tomorrow, on Tuesday 17th October. The Open Evening is an opportunity to discover what possibilities are open to your child beyond their GCSEs and to hear from our current year 12 and 13 students about their achievements and ambitions.

Please feel free to share this invitation with friends or family currently planning for the change from GCSE to Sixth Form, particularly those in year 11. We welcome new arrivals as well as current students. Having a strong sixth form benefits all the students at Ark St Albans, by improving teaching, resources and community. I am proud of our sixth form and confident that you too will be proud of our hard-working and highly motivated students.

I hope to see you on Tuesday.

Yours sincerely,

Louise Turtle
Academic Progress Lead Year 11 and 12.
