

6<sup>th</sup> July 2021

Dear Parents of pupils in 7 Boulton 1

Unfortunately, a pupil in the class has tested positive for Covid on a PCR test. As a result, you will have received a call arranging for your child to be collected from school.

Sadly, because of the need to isolate for ten days this means that pupils will not return to school before the summer holidays.

On Monday morning, you and your child will receive an email at 8.30am and there will be a virtual assembly for pupils at 9.00am.

You will also receive further information about plans for making your progress day online virtual appointment. It will be in this appointment that you will receive the end of year report for your child, including their end of year exam results.

Of course, this is not the best way to end the school year for pupils in 7 Boulton 1. However, I am confident that remote learning will make some pupils have the best positive end to their learning of the curriculum this year.

As ever, if you do have any questions or concerns, please do get in touch via [jayne.hooper@arkstalbens.org](mailto:jayne.hooper@arkstalbens.org) and Ms Hooper will arrange a time for you and I to speak.

Kind regards,

**Mr Guy Rimmer**  
**Principal**  
**Ark St Alban's Academy**
