Introduction

Our core purpose at Ark St Albans Academy is the education of our students, however one of our goals is to ensure that each academy is a central part of the local community. We make every reasonable effort to ensure our buildings and accommodation can be used by community groups for lettings.

A letting is defined as an arrangement to allow an external body or organisation temporary use of the school's premises or facilities. It should not extend for more than one year although it can be renewed annually. The arrangement does not give exclusive or extended use of the buildings.

Aims

- To promote use of the Academy premises by the local community
- To ensure maximum value for money is returned to the Academy.
- To ensure that there are clear guidelines for the use of the Academy premises by non-school groups
- To provide realistic charging figures which create a revenue for the benefit of the students of the Academy
- To ensure that lettings do not detract from the Academy's core purpose.

Categories of lettings

There are four categories of lettings use, and these categories still apply whether the Lettings programme is managed in-house or outsourced:

- **Statutory use** – usage laid down by statute which must be accommodated at a rate to recover costs e.g. polling station use for local or parliamentary elections. The charging of a rent is prohibited by law.
- **Designated use** – usage which is given priority access (unless it clashes with statutory use). Designated use lettees will not be charged a rate higher than that which allows the Academy to recover the costs of providing the facilities. Such lettings include:
 - Governors, staff or parent meetings, curriculum activities such as plays and concerts, fund-raising activities for Academy funds
- **Community use** – usage by charitable groups, associations, religious groups, other not-for-profit organisations which carry some benefit to or enrich the local community, community education activities, adult education or youth services programmes, community education meetings or training courses. Charges will be set at a favourable rate.
- **Private use** – usage for wedding receptions, conferences, parties, commercial activities, etc. Charges will be set at a competitive rate.

Educational (to meet the needs of the school and the national curriculum) and other statutory requirements (including Polling Station usage) take precedence over any other use regardless of whether this is Designated, Community or Private hire.

The Academy's delegated budget cannot be used to subsidise any lettings by community or commercial organisations. If commercial and trading activity in Ark Schools is recorded via the Ark School wholly owned trading subsidiary Ark Academies Projects Limited, which donates any surplus back to the initiating school. All invoices and contracts for lettings should therefore be raised in the name of Ark Academies Projects Limited.

Contract Approval

The central Ark Schools estates team manages all building contracts which are held in the name of Ark Schools. Any new lettings contract for outsourced services must be jointly approved by the Head of Ark Schools Estates and the Principal, following the Ark Academies Projects delegated authority to ensure compliance with the various lease agreements. Ark Academies Project delegated authority mirrors the limits set up within the main Ark Schools Scheme of Delegation.

Administrative Arrangements

There two ways of managing Lettings within our Schools. Schools can opt to provide this in house or the service and/or management can be outsourced. Ark central advises an outsourced solution.

Ark has tendered a framework for the provision of Lettings Service and Management Provision. The framework is Ark mandated route to providing access to these suppliers, and the suppliers were selected via a fully OJEU compliant tender. Schools can access this framework by initially contacting Ark Procurement to build the business case for whichever Lot is to be chosen from the Framework. There are 3 Lots, which are designed to provide a range of services to reflect the different requirements of primary, secondary and all through schools and the type of lettings resources they have.

- Lot 1: School Lettings Booking Platforms for self-management by school – Booking tool, self-service marketing tool, and if required: self-service payment management and processing tool
- Lot 2: School Lettings Booking Platforms, managed by provider – Booking tool, marketing of school lettings product, management of lettings invoicing and payments tool
- Lot 3: Fully managed school lettings service provision, managed by provider – Booking tool, marketing of school lettings product, management of lettings invoicing and payments tool, onsite staffing of school lettings, maintenance as appropriate to use of equipment.

In deciding what solution is best for your school, the school will need to consider if there are currently any school staff involved in lettings and whether they would be at risk of TUPE. If they are, then a full risk and reward appraisal needs to take place, with advice from your HR Business Partner. Any decision that involves TUPE of Staff then needs to be submitted via a Project Expenditure Form for central approval – clearly noting staff eligible for TUPE, their positions, age with a 5 year range, current salary and contract type, and whether they are currently in LGPS – albeit names should be anonymised. Because of the implications of TUPE and LGPS it could be the case that a Lot 2 approach is more relevant.

Suppliers outside of the framework are not permitted access to Ark's schools unless there is an arrangement in place prior to the award of the framework, specifically these schools are Ark Globe Academy, Ark John Keats Academy, Ark Academy (Wembley) and Ark Isaac Newton Academy where the incumbent supplier is able to provide a competitive proposal for review.

While all the points addressed below should be included within any outsourced Lettings Contract, they should also be directly addressed by the school with any lettees when running their own lettings service (or when letting through Lots 1 and 2 of the Framework):

Applications shall be made in writing on the Academy lettings application form and addressed to the Finance and Resources Director (FRD).

The hirer shall be the person who signs the application form, who will also be responsible for payment of the hiring charge and will be present (or nominate a representative to be present) throughout the duration of the hiring, ensuring that the conditions of hire are complied with.

The hirer must be 18 years old or older and may be required to provide documentary evidence of this. Any change in the hirer responsible person must be notified in writing to the school or its nominated agent. Initial requests will be forwarded to the FRD who will liaise with the relevant personnel within the Academy prior to approving any letting.

Once approved by the Academy, confirmation will be sent to the hirer along with the Terms and Conditions of hire. Applications cannot be accepted within two weeks in advance of hire during term time. Application processing may take considerably longer during school holidays. Lettings will be accepted on the basis of the Lettings Policy approved by the Governing Body. However, the Academy reserves the right to refuse any request for a letting.

The hirer should take care when completing the application form to identify the full extent of the facilities required. In particular, specific rooms, any equipment to be made available, parking spaces, whether catering facilities are to be available and which toilets are required.

Lettings can be agreed on an ad hoc basis (i.e. one offs) or for regular use over a longer period. However, no agreement shall extend for more than a year without the Governing Body's express approval. With regard to invoicing and payment arrangements, ad hoc/one off hires shall be paid in advance. Longer term arrangements shall be subject to an initial payment in advance with the balance being paid monthly, in advance, upon receipt of invoices. Failure to comply with payment requirements will result in access being denied to the premises.

All hirers will be required to make suitable arrangements for First Aid and familiarise themselves with the Fire Evacuation procedures.

The Academy may cancel any letting at any time. In such cases two weeks' notice will be given, if possible, and either a proportion of any fee paid will be refunded or an alternative date/venue offered, except where cancellation is due to misconduct or a failure to comply with the stipulations of the lettings agreement where the letting may be terminated with immediate effect. The hirer shall give 7 days' notice of cancellation or pay the full cost of the booking.

No person may use the Academy premises for a letting without an application form being completed. Any person who knowingly acts in contravention of these requirements will be charged at the appropriate rate and refused permission to use the Academy premises in future. The Academy reserves the right to enter/inspect the premises at any time during a letting on producing evidence of their identity. The stewards (if applicable) are to be instructed accordingly by the hirer.

General Conditions of Use

1. Use by the Academy and statutory use will always take precedence over any other use of the premises
